

## NKHS TO SPONSOR “NEGLECTED OLD BUILDING” PHOTO CONTEST

The NKHS is sponsoring a Photo Contest for “Neglected Old Buildings” in New Kent County that provide a “look back in time”. In the past, these buildings were the mainstay of our community. Today, they add that old rustic beauty and charm to the countryside. If you have a “Neglected Old Building” on your property, in the neighborhood, or just around the County, consider submitting a photo.

### BASIC CONTEST RULES:

1. The building must be old, empty, neglected, and located in NK.
2. Photo cannot be older than 2011.
3. List Building Location: EX: Lanexa near Waterside Drive
4. State something you may know about the building:  
EX: Was used a church around 1925
5. Provide Your Name, address, email info
6. No professional studio or touch up photos will be accepted
7. No more than 3 photos per person

Photos will be judged on visual appearance, image quality, portrayal of the buildings originality and the photographers’ creativity. You are not allowed to add a different background. The picture must be taken in the building’s natural surroundings. All entries and locations will be validated by the judges to be an original portrait. All photos become the property of the NKHS. “ALL” entries will be on display at the NK County Fair in September.

There will be 1st, 2nd, and 3rd prize to the lucky winners

The deadline to submit entries - June 30, 2013
